### Students Counselling Centre

As per Anna University instructions, "Students Counselling Centre" has been framed with a team of experienced faculty members from each department. Mentoring is a system of guidance whereby one person shares their knowledge, skills and experience to assist others to progress in their own lives and careers. In this competitive world, students are in a position to be shaped and guided properly in a positive way. By understanding this need, it is decided to form a Committee to Mentor and Counsel Students.

**Objectives:**

- To make students understand the basic manners in the campus
- To educate the Soft Skills which is the major need of society and industries
- To take utmost care of students in their attitude and behavior
- To identify the issues of students and mentor them with possible solutions
