The "DIGITA" association has been inaugurated on 18th August, 2018 for the academic year of 2018-19 by the chief guest Mr.Girirajan Murugan, CTO, Fundsindia.com

Programme: "5MT" (10.08.18)

5 MT is quite similar to paper presentation, but with a twist, i.e. the students have to present their technical work in the form of a power point presentation consisting of just 5 slides! Students learn to be precise in their point and students can learn how to manage the time.

Programme: "Quilling" (10.08.18)

It will be good for students as they can explore their own creativity and to learn what they could do. It will be another form of skill that they could learn and which could benefit them in future.

Women empowerment cell of KSRIET has organised a workshop on 'find friend for your life' by Mrs. Jc. Lavanya Yugaendhar Psychologist and Certified NLP Practitioner from Salem.

She explained about to identify the friend who is present within us, identification of right attitude at right place. She engaged the students by dancing and singing and even made the Students to do back in turn. Such wonderful workshop had ever been seen
