

ECE DEPARTMENT ASSOCIATION “AURA”

“AURA” is an association of Department of Electronics and Communication Engineering meant for the benefits of UG students. The Association mainly focuses on exposures to recent updates on Electronics by conducting various programmes. Numbers of Technical events like Paper presentation, Just a Minute and Project contests have been conducted. Many non-technical events like treasure hunt, General Quiz, rangoli are also encouraged. Our association not only improves students’ technical skills but also soft skills like leadership quality through the event like Public Speech. Students also actively involved in social activities like Blood donation and NSS. We also make students to develop interest in reading books by conducting a program called Readers Arena. Our association periodically publishes a magazine named “ECE CHRONICLES” which includes articles in recent trends, their achievements in curricular and co curricular activities and their creativities. We have arranged Alumni interaction program for our students to make them know about current technologies and market trend.
