

PALS Society

PALS, an initiative by the IIT alumni center, Chennai, have since 2012 focused on augmenting engineering education in the region. PALS is now in its sixth year, and comprises various activities organized through the academic year engaging students, faculty and the management of engineering institutions. Student and faculty based offerings cater to students and the faculty members from our partner institutes.

The events organized are

- Campus lecturers(CL)
- T2P theory to practice
- InnoWAH! innovation competition
- Residential students workshops(RSW)
- Faculty development program(FDP)
- Industry visits
- Industry projects and summer internships applications
